

AGM 2013 - SPIRITUALITY REPORT

The boys are constantly reminded to put God first in their life. Every boy at the Home attends Holy Mass on a Sunday at St Theresa's church and our Catholic boys attend catechism classes to learn more about their faith. Two boys will be receiving the sacrament of First Holy Communion this year.

Prayer is part of the programme in every cottage on a daily basis. Each cottage reads from the bible and reflects on the word of God and discuss as a family group, the importance of the message.

We welcome all denominations who come in to offer spiritual upliftment and prayer for our boys.

The Feast of St Theresa, which falls on the 1st October, is celebrated with Holy Mass and Joy each year by all of the St Theresa's Home Family.
