

OUR MISSION STATEMENT

St Theresa's Home provides residential care for children up to the age of 18. Our aim is to provide a loving, caring environment in which the whole child can be nurtured and in which the developmental needs of the children can be met in an appropriate and culturally, sensitive manner by qualified and competent staff.

All our work at St Theresa's is underpinned by the Augustinian charism of mercy.

OVERVIEW & THEME

All organizations, without exception are obliged to set goals, plan and evaluate in order to ensure a measure of growth and success. At St Theresa's Home we ensure that every aspect of our service, places the child first. All our efforts focus on what is beneficial to the child.

The vision and commitment of the Board of Management, the service and hard work of the staff makes the work done at our Home, successful.

The balanced approach to care for the child holistically, catering for all aspects of their development to ensure that they are correctly socialized, is in keeping with our theme for 2012- 2013.

"Pay it Forward" - Good deeds to break the cycle of poverty and trauma that our children have experienced and replacing it with positivity and optimism.
